**"Emptiness" is CADAVERIA sixth album.**

**It comes almost eight years after the last full length "Silence".**

**The four singles ("Matryoshcada", "Divination", "Shamanic Path", "The Woman Who Fell to Earth"), digitally released between December 2020 and June 2021, after a forced stop of three years due to the singer's illness, now converge into "Emptiness", along with other seven not previously released songs.**

**"Emptiness", will drop on May 27, 2022 via Time To Kill Records.**

**It is the definitive album from CADAVERIA. A majestic work that seals the artistic and human path of the band.**
